```

The diagram illustrates a dependency or relationship between three functions. On the left, two white rectangular boxes are stacked vertically. The top box contains the text 'SEMBLE::invSVDNorm' and the bottom box contains 'SEMBLE::solveLinearSVD'. On the right, there is a gray rectangular box containing the text 'SEMBLE::invSVD'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both 'SEMBLE::invSVDNorm' and 'SEMBLE::solveLinearSVD' are inputs or dependencies for 'SEMBLE::invSVD'.
