The diagram illustrates a data flow or dependency. On the left, there are two rectangular boxes with black borders. The top box contains the text 'SEMBLE::invSVDNorm_H' and the bottom box contains 'SEMBLE::solveLinearSVD_H'. On the right, there is a single rectangular box with a black border and a light gray fill, containing the text 'SEMBLE::invSVD_H'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating that the two left boxes are inputs or components that feed into the right box.
