

SEMBLE::SembleVector
::setElement

```
graph LR; A[SEMBLE::SembleVector::setElement] --> B[SEMBLE::toScalar]
```

A diagram showing a call from the function SEMBLE::SembleVector::setElement to the function SEMBLE::toScalar. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

SEMBLE::toScalar
