The diagram illustrates a header file's dependencies. A central box at the top contains the file path: /Users/archanar/three_pt_analysis/semble/lib/semble/semble_file_management.h. Six arrows point downwards from this box to six separate boxes below it, each representing a system header: iostream, stdio.h, stdlib.h, string, sys/stat.h, and unistd.h.

iostream

stdio.h

stdlib.h

string

sys/stat.h
