

```
my_rand_gen< std::complex  
             < double > >
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'my_rand_gen< std::complex < double > >'. The right box has a white background and a black border, containing the text 'my_rand_gen< double >'. The blue arrow originates from the right side of the left box and points to the left side of the right box.

```
my_rand_gen< double >
```
